Dimond Park Field House, Inc. - Dimond Park Field House Parking Lot Paving Project

State Funding Requested: \$72,000**House District: Juneau Areawide (31-32)**

One-Time Need

Brief Project Description:

Paving of two parking areas immediately adjacent to the Dimond Park Field House in Juneau.

Funding Plan:

Total Project Cost:	\$72,000
Funding Already Secured:	(\$0)
FY2015 State Funding Request:	<u>(\$72,000)</u>
Project Deficit:	\$0

Detailed Project Description and Justification:

CBJ via State DOTPF will be paving the access road from the TMHS access road to the field house in summer of 2014. There are two parking lots adjacent to the building that would remain as dirt/gravel. The smaller one is estimated to cost \$28,600 to pave. The larger one is estimated at \$43,400. As gravel lots, they are in constant need of grading and are quickly filled with potholes, ruts and standing water. There is heavy use by the community for the facility from morning until late evening with a constant stream of children and adults for indoor soccer, baseball, softball, football, track, and general play. The field house is self supporting for operations, but cannot afford to fund the paving the parking areas, which are not included in the CBJ access road project.

Project Timeline:

Summer/fall 2014.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Dimond Park Field House, Inc.
